NOTICE OF MEETING

NOTES

1. Shareholders Eligible to Vote

In accordance with the Company's Constitution and Reg 7.11.37 of the *Corporations Regulations 2001* (Cth), the Board has determined that persons who are registered holders of shares of Icon Energy as at 7:00pm (New South Wales time) on 24 November 2020 will be entitled to attend and vote at the AGM as a shareholder of Icon Energy (**Shareholder**).

If more than one joint holder of shares is present at the AGM (whether personally, by proxy, by attorney or by representative) and tenders a vote, only the vote of the joint holder whose name appears first on the register will be counted.

2. Voting by Proxy

If you are a Shareholder entitled to attend and vote you may appoint an individual or a body corporate as a proxy. A proxy need not be a Shareholder of Icon Energy.

Shareholders should be aware of the voting restrictions and exclusions specified above when appointing a person as a proxy.

A proxy appointment form must be signed by the Shareholder or his/her attorney or, in the case of a body corporate, executed in accordance with section 127 of the Corporations Act or signed by an authorised officer or attorney. If the proxy form is signed by an attorney or by the authorised officer of a body corporate, the power of attorney or other authority (or a certified copy) must accompany the form unless it has previously been provided to the Company. If the proxy form is sent by facsimile, then any accompanying power of attorney or other authority must be certified.

A Shareholder may appoint up to two proxies and specify the proportion or number of votes each proxy may exercise. If the Shareholder does not specify the proportion or number of votes to be exercised, each proxy may exercise half of the Shareholder's votes.

If you wish to indicate how your proxy should vote, please mark the appropriate boxes on the proxy form. If in respect of any of the items of business you do not direct your proxy how to vote, you are directing your proxy to vote as he or she decides.

If you mark the abstain box for a particular item you are directing your proxy to not vote on your behalf and your shares will not be counted in computing the required majority on a poll.

For proxies without voting instructions that are exercisable by the Chairman, the Chairman intends to vote undirected proxies in favour of each resolution. If you wish to appoint the Chairman as your proxy with a direction to vote against, or to abstain from voting on an item of business, you should specify this by completing the appropriate 'Against' or 'Abstain' box on the proxy appointment form.

The Chairman is deemed to be appointed where a signed proxy form is returned which does not contain the name of the proxy or where the person appointed on the form is absent.

3. Proxy Delivery

To be effective, the proxy appointment must be received at the share registry of Icon Energy, in the manner stipulated, no later than 11:00am (Queensland time) on 24 November 2020, being 48 hours before the AGM. Proxies must be received by that time by one of the following methods:

To be valid, a proxy appointment must be received by the Company in the manner stipulated above. The Company reserves the right to declare invalid any purported proxy appointment not received in this manner.

4. Voting by Attorney

Where a Shareholder appoints an attorney to act on his/her behalf at the AGM, such appointment must be made by a duly exercised power of attorney.

A proxy form and the original power of attorney (if any) under which the proxy form is signed (or a certified copy of that power of attorney or other authority) must be received by Icon Energy, in the manner stipulated in Note 3 above, by no later than 11:00am (Queensland time) on 24 November 2020 being 48 hours before the AGM.

5. Corporate Representatives

A body corporate which is a Shareholder, or which has been appointed as a proxy, is entitled to appoint any person to act as its representative at the AGM. The appointment of the representative must comply with the requirements under section 250D of the Corporations Act. The representative should bring to the AGM a properly executed letter or other document confirming its authority to act as a body corporate's representative.

6. Polls

On a poll, every Shareholder has one vote for every fully paid ordinary share held. These Explanatory Notes have been prepared for the information of Icon Energy's Shareholders in relation to the business to be conducted at Icon Energy's 2020 AGM.

NOTICE OF MEETING

7. Impact of COVID-19 on the Meeting

Based on the best information available to the Board at the time of the Notice, the Board considers it will be in a position to hold an “in-person” meeting to provide Shareholders with a reasonable opportunity to participate in and vote at the Meeting, while complying with the COVID-19 restrictions regarding gatherings. The Company, however, strongly encourages Shareholders to submit proxies prior to the Meeting.

If the situation in relation to COVID-19 were to change in a way that affected the position above, the Company will provide a further update ahead of the Meeting by releasing an announcement on the ASX market announcements platform.

The health and safety of members and personnel, and other stakeholders, is our highest priority.

EXPLANATORY NOTES

The purpose of the Explanatory Notes is to provide Shareholders with information that is reasonably required to decide how to vote upon the resolutions. The Directors of Icon Energy (**Directors**) recommend that Shareholders read the Explanatory Notes before determining whether or not to support the resolutions.

Consideration of Financial Statements and Report is not a resolution and will not be voted on. Resolutions 1 and 2 are ordinary resolutions, requiring a simple majority of votes cast by Shareholders entitled to vote on each resolution. Resolution 4 is a special resolution requiring 75% of the votes cast by Shareholders entitled to vote on the resolution to be in favour of the resolution to be passed.

Consideration of Reports

The Financial Statements, Directors' Report and Independent Audit Report of Icon Energy for the Financial Year will be put before the meeting.

Following the consideration of the Reports, Shareholders will be provided with the opportunity to ask questions about or comment on the Reports.

The Company has invited Shareholders to submit written questions for discussion at the AGM. A summarised list of written questions, if any, submitted by Shareholders to the Company and the Auditor will be made available at the start of the AGM and any written answer tabled by the Auditor at the AGM will be made available as soon as practicable after the AGM.

Resolution 1: Remuneration Report

Section 250R of the Corporations Act requires the Shareholders to vote on a non-binding advisory resolution that the Remuneration Report (**Remuneration Report Resolution**) be adopted.

If there is a vote of 25% or more against the Remuneration Report at the 2020 AGM, and another vote of 25% or more at the 2021 AGM, then a resolution will be put at the 2021 AGM to put the Board (other than the Managing Director) up for re-election (**Spill Resolution**). If the Spill Resolution passes, then the Company must hold a Spill Meeting within 90 days at which all Directors (other than the Managing Director) who were Directors at the time the Remuneration Report that received the second strike will retire and may resubmit themselves for re-election.

The Remuneration Report details the remuneration policy for the Company and reports the remuneration arrangements for KMP's and other Icon Energy employees. The Remuneration Report is set out on pages 29 to 34 in the Company's 2020 Annual Report. The Report can also be viewed in the "Investor Centre" section of the Company's website (www.iconenergy.com).

The Board believes that the Company's remuneration arrangements, as set out in the 2020 Remuneration Report, are fair, reasonable and appropriate and support the strategic direction of the Company.

The voting exclusion statement for this resolution is set out on page 2 of this Notice of Meeting.

Board Recommendation

The Directors recommend Shareholders vote **in favour** of this advisory resolution.

Resolution 2: Re-election of Mr Raymond James

Article 70(1)(b) of the Company's Constitution requires that one third of the Directors retire from office and are eligible for re-election. Article 70(3) further states that any Director retiring is eligible for re-election without needing to give any prior notice of an intention to resubmit for re-election and holds office until the end of the meeting at which he retires.

Similarly, ASX Listing Rule 14.4 requires that a Director (except the Managing Director) appointed as an addition to the board must not hold office (without re-election) past the next Annual General Meeting of the entity.

Board Recommendation

The Directors, with Mr James abstaining, recommend Shareholders vote **in favour** of Mr James' re-election.

Resolutions 3: Re-election of Mr Howard Lu

Article 70(1)(b) of the Company's Constitution requires that one third of the Directors retire from office and are eligible for re-election. Article 70(3) further states that any Director retiring is eligible for re-election without needing to give any prior notice of an intention to resubmit for re-election and holds office until the end of the meeting at which he retires.

Similarly, ASX Listing Rule 14.4 requires that a Director (except the Managing Director) must not hold office (without re-election) past the third Annual General Meeting following the Director's appointment, or three years, whichever is longer.

EXPLANATORY NOTES

Resolution 4: Approval to issue and Additional 10% of the issued Capital of the Company over a 12 month period pursuant to Listing Rule 7.1A

Introduction

Pursuant to Resolution 4, the Company is seeking shareholder approval to issue an additional 10% of issued capital over a 12 month period pursuant to Listing Rule 7.1A. If passed, this resolution will allow the Company to allot and issue up to the number of new Equity Securities calculated in accordance with Listing Rule 7.1A.2 (**Placement Securities**) each at an issue price of at least 75% of the volume weighted average price (**VWAP**) for the Company's Equity Securities in that class (calculated over the last 15 days on which trades in the Equity Securities are recorded immediately before the date on which the price at which the Placement Securities are to be issued is agreed, or if the Placement Securities are not issued within 5 trading days of that date, the date on which the Placement Securities are issued) (**Issue Price**).

This approval is sought pursuant to Listing Rule 7.1A. Under Listing Rule 7.1A small and mid cap listed entities that meet the eligibility threshold and have obtained the approval of their ordinary shareholders by special resolution at the annual general meeting, are permitted to issue an additional 10% of issued capital over a 12 month period from the date of the annual general meeting (**Additional 10% Placement**).

The Additional 10% Placement under Listing Rule 7.1A is in addition to the ability of the Company to issue 15% of its issued capital without shareholder approval over a 12 month period pursuant to Listing Rule 7.1. The Company may issue the Placement Securities to raise funds for the Company (further details of which are set out below).

Funds raised from the issue of Placement Securities, if undertaken, would be applied towards the funding of capital expenditure associated with the Company's exploration programs, expenses associated with the issue of Placement Securities and/or general working capital.

Board Recommendation

The Directors of the Company unanimously recommend that Shareholders vote **in favour** of Resolution 4.

Regulatory Requirements Listing Rule 7.1A

General Eligibility

An entity is eligible to undertake an Additional 10% Placement if at the time of its annual general meeting it has a market capitalisation of \$300 million or less and it is not included in the S&P/ASX300 Index.

For illustrative purposes only, on 8 October 2019 the Company's market capitalisation was \$14,342,557 based on the Closing Trading Price on that date. The calculation of market capitalisation will be based on the Closing Price of the Shares, on the last Trading Day on which trades in the Shares were recorded before the date of the AGM, multiplied by the number of Shares on issue (excluding restricted securities and securities quoted on a deferred settlement basis).

The Company is also not included in the S&P/ASX300 Index as at the time of this AGM, however, it should be noted that the S&P/ASX300 Index is rebalanced twice a year in March and September.

The Company is therefore an Eligible Entity and able to undertake an Additional 10% Placement under Listing Rule 7.1A.

In the event that the Company for any reason ceases to be an Eligible Entity after the Company has already obtained Shareholders' approval pursuant to this Resolution 4, the approval obtained will not lapse and the Company will still be entitled to issue the Placement Securities for 12 months from the date of the AGM.

1. **Special Resolution**

Listing Rule 7.1A requires this Resolution 4 to be passed as a Special Resolution, which means that it must be passed by at least 75% of the votes cast by members entitled to vote on the resolution. Pursuant to Listing Rule 7.1A, no Placement Securities will be issued until and unless this Special Resolution is passed at the Meeting.

2. **Shareholder approval**

The ability to issue the Placement Securities is conditional upon the Company obtaining Shareholder approval by way of a Special Resolution at the Meeting.

EXPLANATORY NOTES

10% Placement Period – Listing Rule 7.1A.1

Assuming Resolution 4 is passed, Shareholder approval of the Additional 10% Placement under Listing Rule 7.1A is valid from the date of the AGM and expires on the earlier to occur of:

1. the date that is 12 months after the date of the AGM; or
2. the date of the approval by Shareholders of a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

or such longer period if allowed by ASX.

If approval is given for the issue of the Placement Securities then the approval will expire, on 25 November 2021, unless Shareholder approval is granted pursuant to Listing Rules 11.1.2 or 11.2 prior to that date.

Calculation for Additional 10% Placement – Listing Rule 7.1A.2

Listing Rule 7.1A.2 provides that Eligible Entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

$(A \times D) - E$

A is the number of ordinary securities on issue 12 months before the date of issue or agreement:

1. plus the number of fully paid ordinary securities issued in the 12 months under an exception in Listing Rule 7.2;
2. plus the number of partly paid ordinary securities that became fully paid in the 12 months;
3. plus the number of fully paid ordinary securities issued in the 12 months with approval of holders of ordinary securities under Listing Rules 7.1 or 7.4. [Note: This does not include an issue of fully paid ordinary securities under the entity's 15% placement capacity without Shareholder approval];
4. less the number of fully paid ordinary securities cancelled in the 12 months.

D is 10 percent.

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rules 7.1 or 7.4.

Listing Rule 7.1A.3

1. Equity Securities

Any Equity Securities issued under the Additional 10% Placement must be in the same class as an existing quoted class of Equity Securities of the Company.

As at the date of this Notice of Meeting, the class of Equity Securities in the Company quoted on the ASX are ordinary. The Company presently has 597,606,938 Shares on issue as at the date of this Notice of Meeting.

2. Minimum Issue Price

The issue price for the Placement Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days immediately before:

- the date on which the price at which the relevant Placement Securities are to be issued is agreed; or
- if the relevant Placement Securities are not issued within 5 Trading Days of the date in paragraph above, the date on which the relevant Placement Securities are issued.

Information to be given to ASX – Listing Rule 7.1A.4

If Resolution 4 is passed and the Company issues any Placement Securities under Listing Rule 7.1A, the Company will give to ASX:

1. a list of allottees of the Placement Securities and the number of Placement Securities allotted to each (this list will not be released to the market); and
2. the following information required by rule 3.10.5A, which will be released to the market on the date of issue:
 - details of the dilution to the existing holders of Equity Securities caused by the issue;

EXPLANATORY NOTES

- where the Equity Securities are issued for cash consideration, a statement of the reasons why the Company issued the Equity Securities as a placement under rule 7.1A and not as (or in addition to) a pro rata issue or other type of issue in which existing Shareholders would have been eligible to participate;
- details of any underwriting arrangements, including any fees payable to the underwriter; and
- any other fees or costs incurred in connection with the issue.

Listing Rule 7.1 and 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1. At the date of this Notice, the Company has on issue 597,606,938 Shares. The Company will have the capacity to issue the following Shares on the date of the Meeting:

1. 89,641,041 Shares under Listing Rule 7.1; and
2. subject to Shareholder approval being obtained under Resolution 59,760,694 Shares under Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have the capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (as described on the previous page).

Specific Information required by Listing Rule 7.3A

1. Minimum Price of securities issued under Listing Rule 7.1A – Listing Rule 7.3A.1

Pursuant to and in accordance with Listing Rule 7.1A.3, the Placement Securities issued pursuant to approval under Listing Rule 7.1A must have an issue price of not less than 75% of the VWAP for the Equity Securities over the 15 Trading Days immediately before:

- the date on which the price at which the Placement Securities are to be issued is agreed; or
- if the Placement Securities are not issued within 10 Trading Days of the date in paragraph above, the date on which the Placement Securities are issued.

The Company will disclose to the ASX the issue price on the date of issue of the Placement Securities.

Risk of economic and voting dilution – Listing Rule 7.3A.2

As provided by Listing Rule 7.3A.2, if Resolution 4 is passed and the Company issues the Placement Securities, there is a risk of economic and voting dilution to the existing Shareholders. The Company currently has on issue 597,606,938 Shares. The Company could issue 59,760,694 Shares on the date of the Meeting (however, it is important to note that the exact number of Equity Securities which may be issued will be calculated in accordance with the formula contained in Listing Rule 7.1A.2 details of which are set out above). Any issue of Placement Securities will have a dilutive effect on existing Shareholders.

There is a specific risk that:

1. the Market Price for the Company's Equity Securities may be significantly lower on the date of the issue of any Placement Securities than it is on the date of the Meeting; and
2. the Placement Securities may be issued at a price that is at a discount to the Market Price for the Company's Equity Securities on the issue date which may have an effect on the amount of funds raised by the issue or the value of the Placement Securities.

As required by Listing Rule 7.3A.2, Table 1 on the next page, shows the potential economic and voting dilution effect, in circumstances where the issued capital has doubled and the Market Price of the Shares has halved. Table 1 also shows additional scenarios in which the number of issued Shares has increased, and the Market Price of the Shares has decreased.

Assumptions and explanations

- The Market Price is \$0.024 based on the closing price of the Shares on ASX on 8 October 2020.
- The above table only shows the dilutionary effect based on the issue of the Placement Securities and not any Shares issued under the 15% under Listing Rule 7.1.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. It shows the number of shares that the Company's share capital will increase by.
- The Company issues the maximum number of Placement Securities.
- The Issued Share Capital has been calculated in accordance with the formula in Listing Rule 7.1A(2) as at 8 October 2020.
- The issue price of the Placement Securities used in the table is the same as the Market Price and does not take into account the discount to the Market Price (if any).
- The Issued Share Capital does not take into account any vesting of any Performance Rights.
- *Variable A is the issued capital of the Company.
- The table above does not show the potential dilutionary effect to a particular shareholder.

The allottees of the Placement Securities have not been determined as at the date of this Notice but may include existing substantial shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

Company previously obtained shareholder approval under listing rule 7.1A

The Company previously obtained Shareholder approval under Listing Rule 7.1A at the 2019 Annual General Meeting. The Company has not issued any equity securities under either Listing Rule 7.1 or Listing Rule 7.1A since this approval.

Voting Exclusion Statement

A voting exclusion statement is included in the Notice of Meeting at Page 2. At the date of the Notice of Meeting, the proposed allottees of any Placement Securities are not as yet known or identified. In these circumstances (and in accordance with the note set out in Listing Rule 14.11.1 relating to Listing Rules 7.1 and 7.1A), for a person's vote to be excluded, it must be known or expected that that person will participate in the proposed issue, or that the person will obtain a material benefit as a result of, the proposed issue (except a benefit solely by reason of being a holder of ordinary securities in the entity). Where it is not known or expected who will participate in the proposed issue (as is the case in respect of the Placement Securities), there is no reason to exclude their votes and Shareholders must consider the proposal on the basis that they may or may not get a benefit and that it is possible that their holding will be diluted.
